Dear Ken:

Thanks for the 1998 Red Book. It is always better and better. Keep adding color when you can.

In the US Token section (p. 310) I think you should add the American token with the legend "Am I Not A Man and A Brother". Even though only 3 examples are known it is very important, very fascinating and very American. You might be accused of gender or racial bias if you leave it out.

Your slave,

Eric P. Newman
